DEFINITIONS/MERCHANDISE VENDING DECALS

- A. "Coin-operated vending devices" means any and all machines or devices which upon the payment or insertion of a coin, token or similar object, dispenses tangible personal property, including, but not limited to candies, gum, cold drinks, hot drinks, sandwiches, chips, ball point pens, combs, cigarette lighters, soaps or detergents, or other edible or inedible items.
- B. "Coin-operated vending devices shall not mean:
- (i) amusement and game machines:
 - (ii) devices used exclusively for the purpose of selling cigarettes, newspapers, magazines or postage stamps: or
 - (iii) devices used for the purpose of selling services such as pay telephone booths, parking meters, gas and electric meters, automatic teller machine, compressed air, or other devices used in the distribution of such needed services:
- C. "Coin-operated bulk vending devices" means machines or devices containing unsorted merchandise which, upon insertion of a coin or coins, dispenses the merchandise in approximately equal portions, at random and without selection by the customer. Such vending machines are a simple mechanical device capable of accepting a coin of only one denomination with one coin slot. Sorted or unsorted merchandise dispensed by such vending machines include gum, candy, toys, novelties, sanitary napkins, or other similar merchandise.
- D. "Coin-Operated Manually-powered vending devices" means any and all machines or devices which use manual power, rather than electromotive power, for dispensing products: and which upon payment or insertion of coins, tokens, or similar objects, dispense the type of tangible personal property described in subsection 3 (2) (A) of this section. The term "coin-operated manually-powered vending device" is not intended to refer to a "coin-operated bulk vending device," which term itself is otherwise defined by this section, but this term is intended to include coin-operated manually-powered vending devices that have one or more coin slots (as long as such dispensing devices are housed in one cabinet) and manually-powered devices that dispense prophylactics.
- E. "Coin-operated tabletop snack vending devices" means any and all machines or devices (without refrigeration capabilities that sit upon a counter, tabletop, or stand and provide for eighteen (18) selections, or less, and which, upon the payment or insertion of a coin, token or similar object, dispenses tangible personal property, including candies, gum, chips, cookies, crackers or other edible snacks, but not cold drinks, hot drinks, or sandwiches.
- F. "Operator" means the person who (as owner, lessee, bailee or otherwise) is responsible for removing money from the vending device and who is the person who would otherwise be responsible for reporting and paying the applicable Gross Receipts (Sales) Taxes on sales made through the vending device.
- G. "All vending devices operated by the applying operator must be made subject to this alternative decal fee. Such operator may not choose to have part of their vending devices covered by the decal fee, while other vending devices operated by the same operator during the decal registration year."
- H. "Requirements to Obtain Vending Device Decal."
- (1) Must not be a convicted felon or a corporation whose president or principal shareholders are convicted felons:
 - (2) Must have obtained from the Director of the Department of Finance and Administration an Arkansas Gross Receipts (Sales) Tax Permit.
